

Title 1 Parent Involvement Policy

The Avella Area School District, in accordance with its mission statement, is committed to providing quality education to every child. Academic success has been proven to increase when schools and parents/guardians form strong partnerships and both are involved with the decisions that affect education.

Therefore, a written plan for Title 1 Parent Involvement, that establishes programs and practices to enhance parent involvement, has been developed by parents and school staff. This plan includes a parent/student/school compact and supports the development, implementation and regular evaluation of both the Title 1 program and the parent involvement program. This review takes place at the annual meeting held in the fall.
