October 8, 2021

Dear Avella Area School District Parents and Staff,

During the past week, there has been one positive Covid-19 case in the Avella Area School District including:

- One student from the Jr./ Sr. High School

Contact tracing was conducted for all positive cases and individuals identified as close contacts were notified.

As a reminder, if your child is experiencing signs and symptoms of Covid-19, do not send them to school. If someone in the home is suspected of having Covid-19 in the past 14 days, or has tested positive for Covid-19 contact the school nurse before sending your child to school.

Please visit the PA Department of Health website ([www.health.pa.gov](http://www.health.pa.gov)) for the latest and most accurate information about Covid-19.

Thank You,

Avella Area School District
