

Close Contact Quarantine Recommendations

This information is based on the current CDC guidance updated [July 9, 2021](#) and [July 27, 2021](#)

**You are considered fully vaccinated 2 weeks after their second dose in a 2-dose series, such as the Pfizer or Moderna vaccines, or 2 weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine. If you don't meet these requirements, regardless of your age, you are NOT fully vaccinated.
