Re: Donating Clothes

We keep extra clothes of varying sizes in our nurse's station for clothing emergencies for our students. Our reserve is depleted.

We are asking everyone to donate gently used sweat pants, socks, T-shirts and sweat shirts in smaller sizes (4-10) and new underwear sizes 4 – 10 to add to our reserve. All used clothes must be washed before donating.

We want to thank you in advance for all your help!

Sincerely,

Mrs. Bakaitis
